How Can I Know Christ Personally?

Do You Know?

A Simple Test To Determine Why We "Need God"

How To Get To Heaven

"...for God so loved the world"

Condom Facts:

- **Condoms are financially profitable** *Time* magazine, 8-15-88, p.65.

- **Condoms can be promoted to backup racist philosophies** Margaret Sanger, Founder of Planned Parenthood, wished to curb "...uncontrolled fertility of the unfit.." Birth Control review, Dec, 1921.

- **Condom users may be lied to** "misinformation" about condom safety: ASAP/HIV Policy, Vol.2, p.12; also see Ray Kerrison, N.Y. Post, 12/92.

- **Condoms are often not used** JAMA, June 20, 1990, vol. 263: pp 3155-315; also, American Journal of Public Health, 1988: #78: pp460-461.

- **Condoms fail** Family Planning Perspectives, July-Aug, 1988; also, FPP, Sept/Oct, 1986, p.204: authors Jones and Forrest, FPP, vol 24:12, Dec, 1992; CM Roland, RubberWorld, vol.. 208, June, 1993.

- **Condoms leak or break 26% of the time** Amer. Jour. of Nursing, 10/87: p.1306; British Medical Journal, 7/87.

- **Condoms fail to prevent pregnancy 27.5% annually in never married teenage girls** Jones and Forrest, FPP, 1/92, p.15.

- **Condoms fail to prevent pregnancy 36.3% annually among single, young minority women** Jones and Forrest, FPP, 5/89, p.105.

- **Condom distribution has increased sexual activity, pregnancy, and probably HIV transmission by at least 48%** FPP, 1/90, p.21; July-Aug, 1988, p.194; Jacqueline Kasum, Humboldt State University. Increase in non virgins 25%: FPP, Jan.1991, p.11-12, San Francisco study.

- **Condoms (latex brand) fail 31% of the time, the first time used, to prevent HIV transmission** Susan Weller, University of Texas at Galveston, June, 1993: *Social Science and Medicine* , #36-12,: analysis from 11 studies: contact phone: 409-772-2618.

- **Condoms offer little protection from chlamydia ("Chlamydia present in 33% of sexually active teens. 25% of girls with one infection will be infertile for life")** Concerned Women for America: position paper: also, Sondra Samuels, "Chlamydia: Epidemic Among America's Young, " *Medical Aspects of Human Sexuality* ", December, 1989, p.23.

- **Condoms offer no protection against HPV (Human Papilloma Virus: genital warts) - Present in 38% of sexually active adolescents. May cause cervical cancer** CWA position paper; also, "Condoms Won't Prevent Transmission of Human Papillomavirus," *Family Practice News* , Vol.22, No.12, June 15, 1992, p.5.
